William

When rating 1-5 with 1 being LACKLUSTRE effort and 5 being OUTSTANDING effort, how much effort do you feel this group member put into this project? 4/5

Explain the reason for this score in detail: I would rate it a 4 because I've helped in all parts of the Assessment Task such as the coding and project documentation. I did not rate myself a 5 because I could have improved by instead of letting my friends be distracted, I could've told them to work harder.

When rating 1-5 with 1 being NOT AT ALL and 5 being an EXCEPTIONAL AMOUNT, how much did this team member contribute to the team's efforts throughout this project? 3/5

Explain the reason for this score in detai: I rate myself a 3/5 because I have contributed a lot in the project documentation and helped with the code. I might have done better if I worked on the code a bit more.

When rating 1-5 with 1 being entirely NON-FUNCTIONAL and 5 being completely FUNCTIONAL, how effective was this team member's final test case? 3/5

Explain the reason for this score in detail: I rate myself a 3 because even though my code isn't the final one, it is a step to it. I made a code that my friend Ashwin edited it and made it so that it works without problems.

When rating 1-5 with 1 being NOT WELL AT ALL and 5 being EXCEPTIONALLY WELL, how well do you think this team member performed throughout all stages of the project? 3/5

Explain the reason for this score in detail: I finished the project documentation and helped with the final code but did not do the markdown file until the late stages. I was also behing in doing my flowchart and pseudocode due to working on the portfolio.

Karna

When rating 1-5 with 1 being LACKLUSTRE effort and 5 being OUTSTANDING effort, how much effort do you feel this group member put into this project? 3/5

Explain the reason for this score in detail: I rated myself a 3 because I did small amount of coding because of not being very good at it and worked on the slides with William and Quintus.

When rating 1-5 with 1 being NOT AT ALL and 5 being an EXCEPTIONAL AMOUNT, how much did this team member contribute to the team's efforts throughout this project? 3/5

Explain the reason for this score in detail: I am in the middle because I did not do much for coding and helped slightly however, I helped my friends in doing the flowchart and pseudocodes as well as contributing to the project documentation.

When rating 1-5 with 1 being entirely NON-FUNCTIONAL and 5 being completely FUNCTIONAL, how effective was this team member's final test case? 2/5

Explain the reason for this score in detail: I am not very good at coding so I was the one that first make the code that was basic and then my friends then made changes and edited it till it is the final code.

When rating 1-5 with 1 being NOT WELL AT ALL and 5 being EXCEPTIONALLY WELL, how well do you think this team member performed throughout all stages of the project? 3/5

Explain the reason for this score in detail: Although I didn't do much of the code, I helped my friends making the flowcharts and pseudocode as well as doing part of the portfolio/slides

Quintus

When rating 1-5 with 1 being LACKLUSTRE effort and 5 being OUTSTANDING effort, how much effort do you feel this group member put into this project? 3/5

Explain the reason for this score in detail: I rate myself a 3 because I didn't do much for the code and helped with the project documentation and slides

When rating 1-5 with 1 being NOT AT ALL and 5 being an EXCEPTIONAL AMOUNT, how much did this team member contribute to the team's efforts throughout this project? 3/5

Explain the reason for this score in detail: Me and Karna helped for the beginning stages of the code and helped do the slides with William and Karna

When rating 1-5 with 1 being entirely NON-FUNCTIONAL and 5 being completely FUNCTIONAL, how effective was this team member's final test case? 2/5

Explain the reason for this score in detail: I did the beginning of the code with Karna and William and Ashwin edited it so that it is working properly and is the final code. I also did the pseudocode, flowchart and some of the project documentation and slides.

When rating 1-5 with 1 being NOT WELL AT ALL and 5 being EXCEPTIONALLY WELL, how well do you think this team member performed throughout all stages of the project? 3/5

Explain the reason for this score in detail: Although I didn't do much of the code, I helped my friends making the flowcharts and pseudocode as well as doing part of the portfolio/slides

Ashwin

When rating 1-5 with 1 being LACKLUSTRE effort and 5 being OUTSTANDING effort, how much effort do you feel this group member put into this project? 4/5

Explain the reason for this score in detail: I tried my best by doing most of the code with help from William. I have also done some of the project documentation and some slides.

When rating 1-5 with 1 being NOT AT ALL and 5 being an EXCEPTIONAL AMOUNT, how much did this team member contribute to the team's efforts throughout this project? 4/5

Explain the reason for this score in detail: I rate myself a 4 because I made the final code with William and done three pseudocodes and flowcharts. I have contributed most of the coding section and some in the project documentation and slides.

When rating 1-5 with 1 being entirely NON-FUNCTIONAL and 5 being completely FUNCTIONAL, how effective was this team member's final test case? 4/5

Explain the reason for this score in detail: I rated the code a 4 because it is functional and works wellbut could be improved by adding more functions and loops.

When rating 1-5 with 1 being NOT WELL AT ALL and 5 being EXCEPTIONALLY WELL, how well do you think this team member performed throughout all stages of the project? 4/5

Explain the reason for this score in detail: I rate myself a 4 because I did most of the code and helped with the project documentation and slides. I could have done better by helping my friends more with their parts.
